Whistleblower helped dismantle biotech juggernaut Theranos in his ‘zero-strategy’ defense P. 36
COVER STORY
Whistleblower helped dismantle biotech juggernaut Theranos in his ‘zero-strategy’ defense
By Emily Primeaux, CFE

Tyler Shultz, Theranos whistleblower and ACFE Sentinel Award winner, explains where things went wrong at the infamous blood-testing company and why he couldn’t sit back silently — even at the potential expense of his relationship with his grandfather, George Shultz, and facing the prospect of likely litigation.
